Feedback from Estate re: events – say they give leaflets to Residents Association, on boards at entrance to the Estate. If they have residents email addresses they

are kept informed. Send Newsletter 3 or 4 times a year. Events are on the Beaulieu website and most advertised in the local press. Mrs. Shanks feels they are not helping/working with local residents affected by events. Said at one event there was no manning, no marshalls, no police at entrance to the Motor Museum with traffic backed up till Pennerley. Feels we should talk to the Events dept or the Estate office. Mr. Norris said Clare Norman was monitoring the number of times the gate in Palace Lane is used and will let us know when the agreed number is reached. Mr. Norris asked Mrs. Shanks to put some bullet points together as to what should happen and we will go from there. Mr. Weiss to help. Chestnut Cottage – Mr. Norris asked if we wrote to the NFNPA and clerk confirmed we only wrote to the Estate. Clerk to write to NFNPA to the listed building dept.
