752. **MATTERS ARISING**

750. With the resignation of Mrs. Green and Mr. Dovey it was agreed that Mr. Norris will write to them and will arrange a presentation for them both in the autumn, maybe a fruit tree.

Dog litter along the Bucklers Hard footpath. Estate have written to NFDC asking if possible to have another bin half way down the footpath, but feels this is unlikely as we have asked in the past.

743. New bollards outside No. 2 Northern Cottages. One councilor felt they looked dreadful with the mixture of cast iron and wooden posts, would look better if both of the same material. Agreed they should protect the cottage from being clipped. Wondered what the Estate's view on this was.

Traffic lights – councillors felt this is not the way ahead – caused traffic queues, air and noise pollution. Mr. Norris felt we should wait and see the results from the survey and then voice our concerns.

750. Ditches along Furzey Lane – still flooding. PC Tilbury to take this up.  
Rose Cottage, Bunkers Hill – water still coming from cottage down the road.  
Hedge at the top of Lodge Lane – junction with BH/Beufre Farm, right hand side obstructing the road. Clerk to write to Estate.
